HOUSE CONCURRENT RESOLUTION NO. 13 BY HEALTH AND WELFARE COMMITTEE

A CONCURRENT RESOLUTION

STATING FINDINGS OF THE LEGISLATURE AND DIRECTING THE IDAHO COUNCIL ON DEVELOPMENTAL DISABILITIES, IN COLLABORATION WITH THE DEPARTMENT OF HEALTH AND WELFARE AND OTHER STAKEHOLDERS, TO CONVENE A TASK FORCE TO DEVELOP A WAIVER FOR A SELF-DIRECTED SERVICE DELIVERY SYSTEM FOR IDAHOANS WITH DEVELOPMENTAL DISABILITIES AND REQUIRING A REPORT.

Be It Resolved by the Legislature of the State of Idaho:

WHEREAS, Medicaid costs for services to people with developmental disabilities are increasing; and

WHEREAS, many Idahoans with developmental disabilities rely on Medicaid for their long-term service needs; and

WHEREAS, growth in the Medicaid budget requires all opportunities for savings to be explored, including strategies for people with developmental disabilities to become less dependent on the current service delivery system; and

WHEREAS, people with developmental disabilities should have authority over their life decisions and be responsible for their choices; and

WHEREAS, people with developmental disabilities should control a limited amount of dollars that can be used flexibly to acquire necessary supports; and

WHEREAS, although the state of Idaho has made some progress in designing a service delivery system for people with developmental disabilities that permits some choices, these choices are limited; and

WHEREAS, other states have developed and implemented self-determination models which have increased cost effectiveness and consumer control; and

WHEREAS, all individuals belong in and bring value to their communities; and

WHEREAS, all individuals with developmental disabilities are valued partners in policymaking pertaining to their services and supports.

NOW, THEREFORE, BE IT RESOLVED by the members of the First Regular Session of the Fifty-seventh Idaho Legislature, the House of Representatives and the Senate concurring therein, that the Legislature directs the Idaho Council on Developmental Disabilities, in collaboration with the Department of Health and Welfare and other stakeholders, to convene a task force for the purpose of developing a Medicaid self-determination waiver.

BE IT FURTHER RESOLVED that the development of this waiver would include participation of people with developmental disabilities, family members, appropriate public agencies, service providers and advocates.

BE IT FURTHER RESOLVED that the Department of Health and Welfare will submit such a waiver to the federal Centers on Medicaid and Medicare for approval.

BE IT FURTHER RESOLVED that this waiver will be available to no more than two hundred qualified individuals with developmental disabilities, will cost no more on average than services currently available through the HCBS waiver for people with developmental disabilities, will include an individual budget driven by a person-centered plan, will allow people with developmental disabilities to negotiate for services and supports from non-Medicaid providers with the assistance of a broker and a fiscal agent, and will continue for a period of at least two years to permit adequate usage and collection.

AND BE IT FURTHER RESOLVED that progress on this effort shall be reported to the Legislature by January 15, 2004.

HCR 13 was introduced, read the first time by title, and referred to the Judiciary, Rules, and Administration Committee for printing.
